INSTRUCTIONS FORM
Grand Lodge Masonic Relief Fund

The Honorable, Terry L. Winbush 33°, M.W. Grand Master

Greetings, my thoughts and best wishes are with anyone affected by the COVID-19 Pandemic. COVID-19 not only affects the health of the most vulnerable among us, but also the livelihood of many. It is during times like these that we as Freemasons show what we're all about. We know that some members within the Jurisdiction may have found themselves in need of assistance. To aid those brothers, the Grand Lodge has created a **Masonic Relief Fund**.

PURPOSE

The purpose of these funds is to assist members of the Craft that may have been affected by hardships created by COVID-19. The financial assistance of the Relief Fund can help cover some of the needs and aid in the relief of gaps created by the virus.

The assistance may be used for medical needs, rent, groceries, or utility payments. The focus will be to help our members wherever a genuine need exists. This fund is not intended as a long-term solution.

For those in a position to give; the Relief Fund is an opportunity to fulfill the obligation all Masons take to care for our fellow brothers and their families. All Masons are encouraged to give what they can.
